

GRAVITY AND LOW PRESSURE DIE CASTING

Product	Cast Metal	Remarks
ISOLAT SUPRA COATE	Aluminium	Extreme temperature resistant die coated with improved thermal insulation; also recommended as riser tube coating.
GRAPHITEX No.12	Aluminium	Graphite-based die coating for better release and lubrication.
MINEX IMPRA FA 6	Aluminium	Extremely fine die coating with good thermal insulation.
DROSSAL AL- 4S	Aluminium	De-drossing flux for the cleaning of aluminium smelts.
